

DELTA TOWNSHIP

AQUATICS PROGRAMS

Delta Township Aquatics **Winter 2015** Swim Lessons are offered to children ages 6 months and up. Course content for beginning swimmers ages 6 months to 5 years old includes water adjustment/exploration and fundamental motor skill activities. Children ages 5 years and older learn breathing techniques, fundamental swim strokes, kicks, jumps, submerging and water safety information. Advanced swimmers ages 5 years and older refine familiar strokes while learning breast-stroke and side-stroke as well as the butterfly, back-stroke and diving.

Please communicate with your child's instructor about any special goals or concerns you have, but please also respect pool rules and regulations. **It is the Delta Township Pool policy to not allow children over age 5 in opposite gender locker rooms.** Your child will learn at his or her own pace. Some children will need more practice in one level, than other children will need. You can help advance your child's swimming abilities by spending "fun time" in the water outside of class, practicing what you both enjoy. A great opportunity for your whole family to do this is during our Tuesday/Thursday family swim times from **7:30pm – 8:30pm, 1/13 – 3/5.**

The Delta Township Aquatics Youth Instructional Swim Program offers swimmers a lower student-to-teacher ratio than most other local swim programs. You can reach us by telephone at (517) 484-5600, office hours are Monday through Friday 10am-3pm. All swim lessons are held in the warm and friendly Delta Pool at Waverly East Intermediate School. The pool address is 3131 West Michigan Avenue, Lansing, MI 48917. Please park in the back, east parking lot, you can enter the building through door #14. Also remember an adult, age 18 or over, **must** remain in attendance during swim lessons and family swim times.

Adult Water Exercise, Lap, Open and Family Swim Information
